The Board of Review functions like a court and is required to evaluate evidence **based on facts**. You must provide **factual information** showing your property is incorrectly assessed.

Storing Refuse and Recycling Carts Between Collection

Residents who have alley refuse and recycling collection should store their carts outside the alley right of way area (generally 5' to 10' from the edge of the alley surface). This right of way area is generally needed for alley maintenance (snow plowing, grading gravel, and utility work). Carts can be set out for collection in alleys after 6:00p.m. the day prior to collection and should be removed within 24 hours after collection.
