## IMPORTANT NOTICE

### Wipes & Personal Hygiene Products Clog Sewer Lines!

Many household products are labeled and marketed as **DISPOSABLE** and/or **FLUSHABLE**; many baby and adult personal hygiene products, along with household wipes and cleaning towelettes are labeled both disposable and flushable. While these products may be marketed as a convenience item in this way, the truth is that these types of items have the ability to clog and stop up not only the sewer line on your property, but also can cause blockage and service problems in the public sewer system and pump stations.

Unlike toilet paper, these products **DO NOT** break down once they are flushed. They can cause blockages in your on-site sewer, **especially older pipelines that may have greases, roots, or other obstructions already existing**. A repair of the on-site sewer line can leave the home owner or business owner with a **very costly sewer repair**.

On a larger scale, when these products make their way into the public sewer system they collect together, causing very large obstructions and clogs in the main collector lines and get tangled in pump stations requiring repair or replacement of equipment.

### What We All Can Do To Help...

The following items should **NEVER** be flushed into the sewer system:

Disinfecting/surface wipes	Mop or "Swiffer" type refills
Baby wipes	Paper towels
Jewelry wipes	Pet care wipes
Cosmetic wipes	First Aid wipes
Disposable diapers or diaper liners	Bio-pads (nursing home, home health care, etc.)
Cotton swabs	Feminine hygiene products
Toilet cleaning pads	ANY Moist type towelettes
<b>+ ANY CONSUMER ITEM THAT IS NOT TOILET PAPER!</b>	

Every home and business has a sewer connection to the public sewer system. This connection runs from the home or business to the sewer main where it is connected to the public sewer system. This on-site sewer line is the responsibility of the home or business owner to keep clear so there are no back-ups of wastewater into the home or business. Save yourself and your Sewer Utility from costly repairs and/or replacement bills. **Do not flush the listed items: place them in the trash, not the toilet.**

## STREET PARKING RESTRICTED

Parking is not allowed between the hours of 2:00a.m. and 6:00a.m. on any street or highway from November 1 to April 1 in the City of Mosinee. For more information, please contact the Mosinee Police Department – 715-693-2000

## NOTICE – DOG/CAT OWNERS

Dogs and Cats are required to be licensed by March 31<sup>st</sup>, 2023. The license period runs from January 1<sup>st</sup>, 2023 to December 31<sup>st</sup>, 2023. State law requires that all dogs must be licensed yearly AND City ordinances require cats to be licensed yearly. Before a license can be issued, you must furnish a rabies vaccination certificate to show proof of vaccination against rabies.

## Christmas Tree & Brush Pickup

The Mosinee Public Works Department will pick up Christmas trees and brush the week of January 9th - weather permitting. Please have your tree or brush placed near the curb or in the alley. Plastic bags, stands, wire, etc. must be removed from the trees. Trees that have plastic bags, stands or wire on or are buried in snow will **NOT** be picked up. If you have any questions please call the Mosinee Public Works Dept. at 715-693-3840 or email to: [publicworks@mosinee.wi.us](mailto:publicworks@mosinee.wi.us)

## Recycle Christmas Lights

Habitat for Humanity of Wausau is collecting Christmas lights. Every year tons of light strings are thrown away and end up in landfills across the country. Habitat for Humanities collects all kinds of light strings – old or new, working or not. Worn out extension cords are also collected. Habitat for Humanities recycles the copper and plastic from the strings and uses the proceeds to assist low-income families in our community. **A drop box is available at City Hall – 225 Main Street.** For more information please call City Hall – 225 Main Street or HFH at 715-848-5042.
