SPRINKLER CREDIT

If you water your lawn with city water you may be able to save some money!

When you sign up for the sprinkler credit, the City will compare your water and sewer usage during the summer and winter quarters. If your summer usage is higher due to watering your garden, flowers or lawn, you will pay the average amount of your sewer usage from your winter quarters and the full amount of any water used. For every 1,000 gallons of water used above your winter average, you save \$7.40 in sewer charges.

The Water and Sewer Utility can provide you with a savings worksheet if you are interested in this option. The sprinkler credit has a one-time setup charge of \$50.

For more information, please call or email City Hall – 715-693-2275 or email: clerks@mosinee.wi.us
