FROM THE MAYOR'S DESK

Dear Mosinee Resident:

I am deeply honored and grateful to be elected as the thirteenth Mayor of the City of Mosinee since its transition from a village to a city on June 1, 1931.

As a proud resident of this wonderful community since 1984, I have witnessed firsthand the growth, challenges, and triumphs that have shaped Mosinee. Transitioning from my role as City Alderman to Mayor, my commitment remains unwavering—to build on our successes and collaborate to make our city an even better place to live, work, and thrive.

Every thriving municipality, known for its excellence in local government, succeeds because of a City Council dedicated to working together to continuously improve the community. Our community is very fortunate to have a Common Council that embraces this spirit of collaboration, and I look forward to continuing to work alongside them, as well as our dedicated and hardworking City staff, to drive our city's progress forward.

The Council and I are committed to driving economic growth in our community. Our top priority is to support the growth of our existing businesses, especially those in the Business Park, while also attracting new enterprises. A key initiative will be the ongoing revitalization of our downtown, transforming vacant buildings into thriving businesses to ensure a vibrant and prosperous local economy.

Improving infrastructure continues to be a key priority. We will continue repairing municipal streets and upgrading the city's utility systems to ensure long-term reliability and efficiency.

Another important initiative is enhancing our beautiful park system. We will move forward with developing the new Maple Ridge Park and introduce a dedicated dog play area in one of our existing parks. These enhancements will provide more recreational opportunities for both residents and their four-legged companions.

Collaboration is at the heart of everything we do. I am also dedicated to working hand in hand with residents, business owners, community service organizations, and the Mosinee Area Chamber of Commerce to strengthen our sense of unity and shared purpose. Together, we will continue striving to make Mosinee a well-rounded community—one where families flourish, businesses succeed, and every individual takes pride in calling it home.

I look forward to hearing from you, working alongside you, and making meaningful progress together. Please join me and the City Common Council in building a future that reflects our shared vision and aspirations for Mosinee!

Peter Nievinski, Mayor-Elect
